His Excellency Governor Hugh Gregg  
State House  
Concord, New Hampshire

Dear Governor Gregg:

It is the opinion of this office that the emergency fund may properly be used to provide the Supreme Court with the necessary funds for printing and binding the New Hampshire Reports.

R.L. c. 382, s. 7 provides that the reporter shall, within one hundred and twenty days after a decision is announced, publish a report of each case. I have been informed by the Clerk of the Supreme Court, George O. Shovan, Esq. that the appropriation for publishing these reports has been exhausted and he will be unable to comply with the provisions of the said chapter 382 unless he is provided with more money. This constitutes an emergency and is a proper use of the emergency fund.

Very truly yours,

Arthur E. Bean, Jr.  
Assistant Attorney General
